Toth's Sports Price
\$160 for three base set
with Steel Anchor Set

TS-200
SOFT TOUCH MODEL

Soft Touch "progressive release" bases are designed to flex and absorb energy as a player slides into the base. In case of hard, uncontrolled slides, the "progressive release" action allows the base to flex until enough force is applied to "pop" the base free from its mount unlike a stationary base.

Toth's Sports Price
\$350 for three base set
